

# The Flathead Job Service Employers' Committee

---

## WHAT IS JSEC?

- ◆ An advisory committee to your local Job Service Workforce Center and the Montana Department of Labor and Industry.
- ◆ A public/private partnership challenged with meeting the workforce needs of the community.

## The Flathead JSEC...

...is a diverse group of local area employers who serve as ambassadors and mentors for the Flathead Job Service Workforce Center. The Flathead JSEC has been integral in creating partnerships to improve the quality of the workforce, sustain economic growth and support business opportunities.

Members represent both large and small private employers as well as public sector and non-profit entities.

## Mission Statement for the Flathead Job Service Employer's Committee:

*JSEC (Job Service Employer Committee) is a Flathead Job Service Workforce Center advisory committee creating employment related education and networking opportunities for Flathead Valley Employers.*

## Membership:

Membership in Flathead JSEC is open to all employers that have a sincere desire to promote the Flathead Job Service Workforce Center at the local and state level, share employment related information, provide input for services desired from the Flathead Job Service Workforce Center and in general support the community of employers and their businesses in the Flathead Valley. Establishing these committees at the local level allows specific needs of the community to be met.

If you would like further information on joining JSEC please contact the Business Advocates at the Flathead Job Service Workforce Center, (406) 758-6200.
